

Becoming a member of CNC's Fundraising and Finance Subcommittee

What you'll do:

- Help CNC make connections with funders and sponsors
- Implement our new Affiliate/Associate Membership program for Cambridge businesses
- Guide the development of our yearly fundraising plan, budget, and review regular financial reports

Skills you'll apply:

- Experience with developing and implementing fundraising plans, and developing and managing budgets within the nonprofit context
- Modeling intercultural competence and demonstrated commitment to equity, inclusion, social justice work and collaboration
- Insights, contributions, perspectives, and ideas gained from lived experiences related to CNC's mission of advancing equity

Time commitment: 1-2 hours per month

- One hour Subcommittee meeting per month
- Action items between meetings, as needed

What current members say:

"[It's] not only a great way to support the Cambridge Nonprofit Coalition, but it's also been a great way to learn. ... I learn from others on the committee how they approach these things within their own organization ... I'm then able to incorporate some of these ideas back into my own organization."

— [Sasha Purpura](#), *ED of Food For Free, current Subcommittee Chair*

"I have very much enjoyed [it.] ... It has allowed me to dig into a specific piece of work that I know will further CNC's mission and, thus, the effectiveness of the nonprofit sector in Cambridge. ... [T]he experience has strengthened my own organization and my ability to call upon committee members as thought partners." — [Elissa Spelman](#), *ED of Breakthrough Greater Boston*

"Serving on the CNC Finance and Fundraising Committee has been a highlight of my years participating with the CNC. [It] has provided both professional satisfaction and also a valuable regular touchpoint with a group of nonprofit leaders that have become friends. I often find that I leave our meetings with several new ideas for how to do my own job better." — [Ben Clark](#), *ED of En Root*
